

Children's University Half Term Challenge!

Get researching!

Summer is nearly here, which means the plants and flowers are blooming, but how do plants grow? Watch this short video and write a fact sheet with drawings to show the life cycle of a plant

<https://bit.ly/3wgTRTQ>

Get creative!

Have you heard of *Pointillism*? It's the creation of a picture made with dots of colour. For this activity create a painting by only using different coloured dots. Look at the artist George Seurat for inspiration

Get curious!

Interested in tropical wildlife, nature and sustainability? Follow the link to complete this activity from WellGood projects then have a go at the quizzes to show off your new knowledge

<https://bit.ly/3v6WCqF>

5 new things to do this week!

Each activity is worth 1 credit. To get a stamp code for *Children's University Online* email contactus@childrensuniversity.co.uk with evidence - this could be a photograph, video, a work sheet, or writing about what you did! All activities require adult supervision. The supervising adult is expected to manage all activity risk.

Get writing!

Write a travel guide for people that are visiting your town or city. What places do you think they should visit or avoid? Can you draw a map to show them how to get around?

Get active!

Complete three challenges from Active Leaders! There are plenty to choose from. Write about which one was your favourite and why
